

# Annual Parent Survey

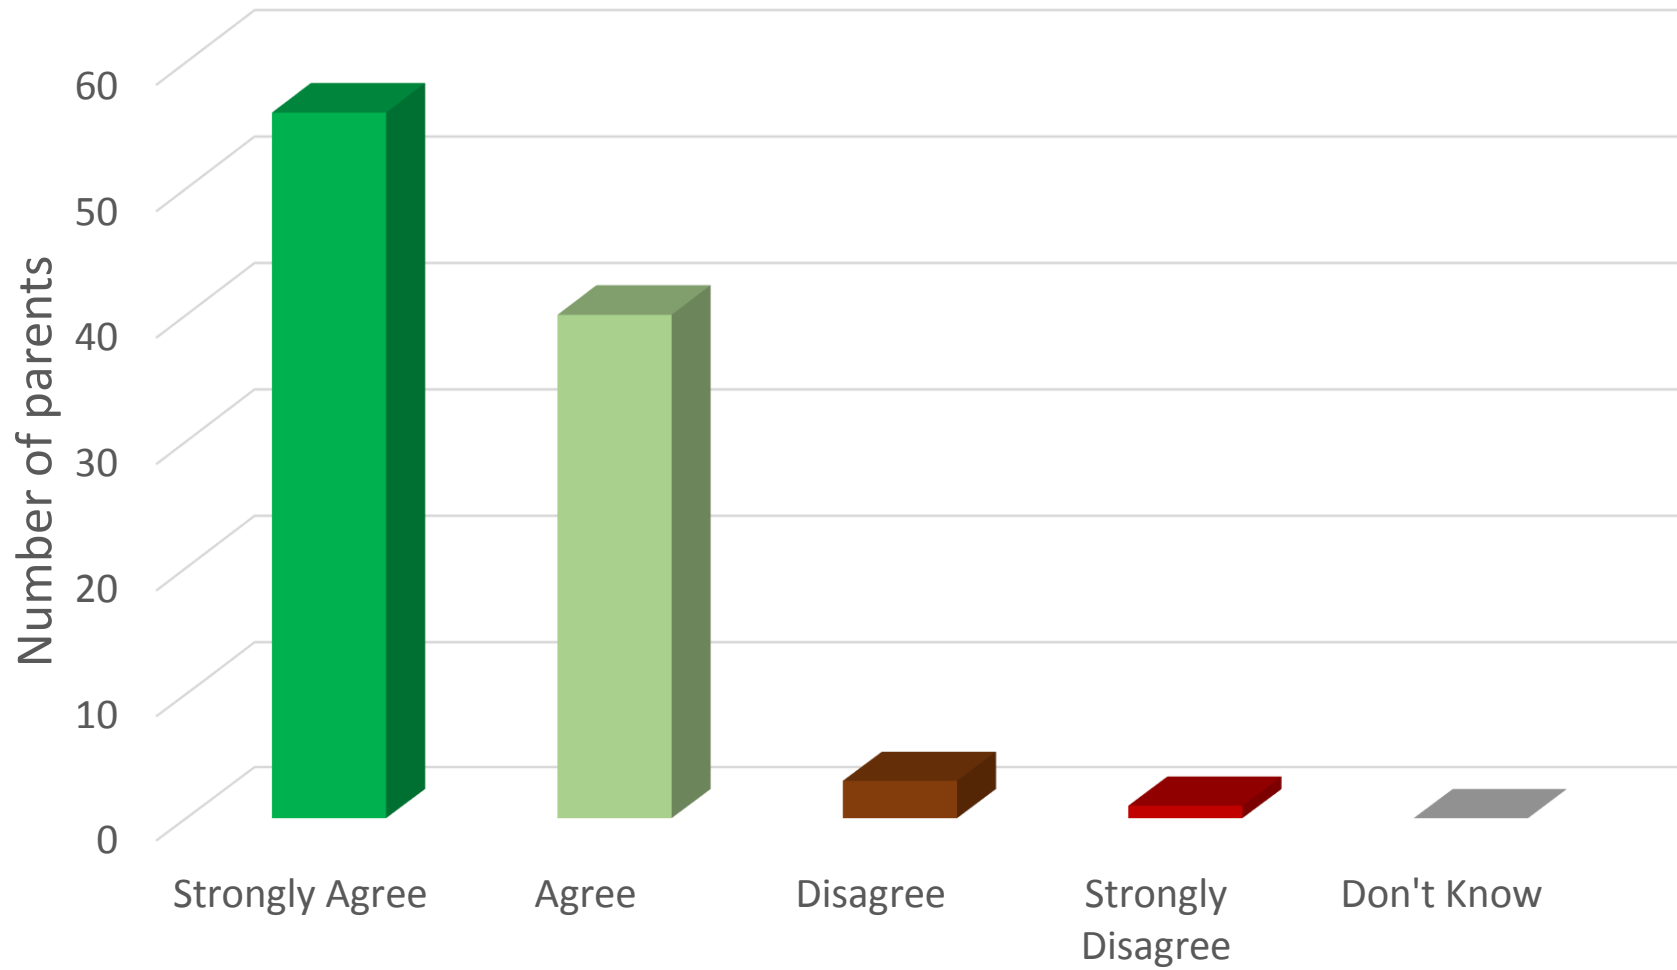

## Spring 2017

All parents were offered a quick and confidential survey to complete when they attended the spring Mentor Meetings (parent's evening).

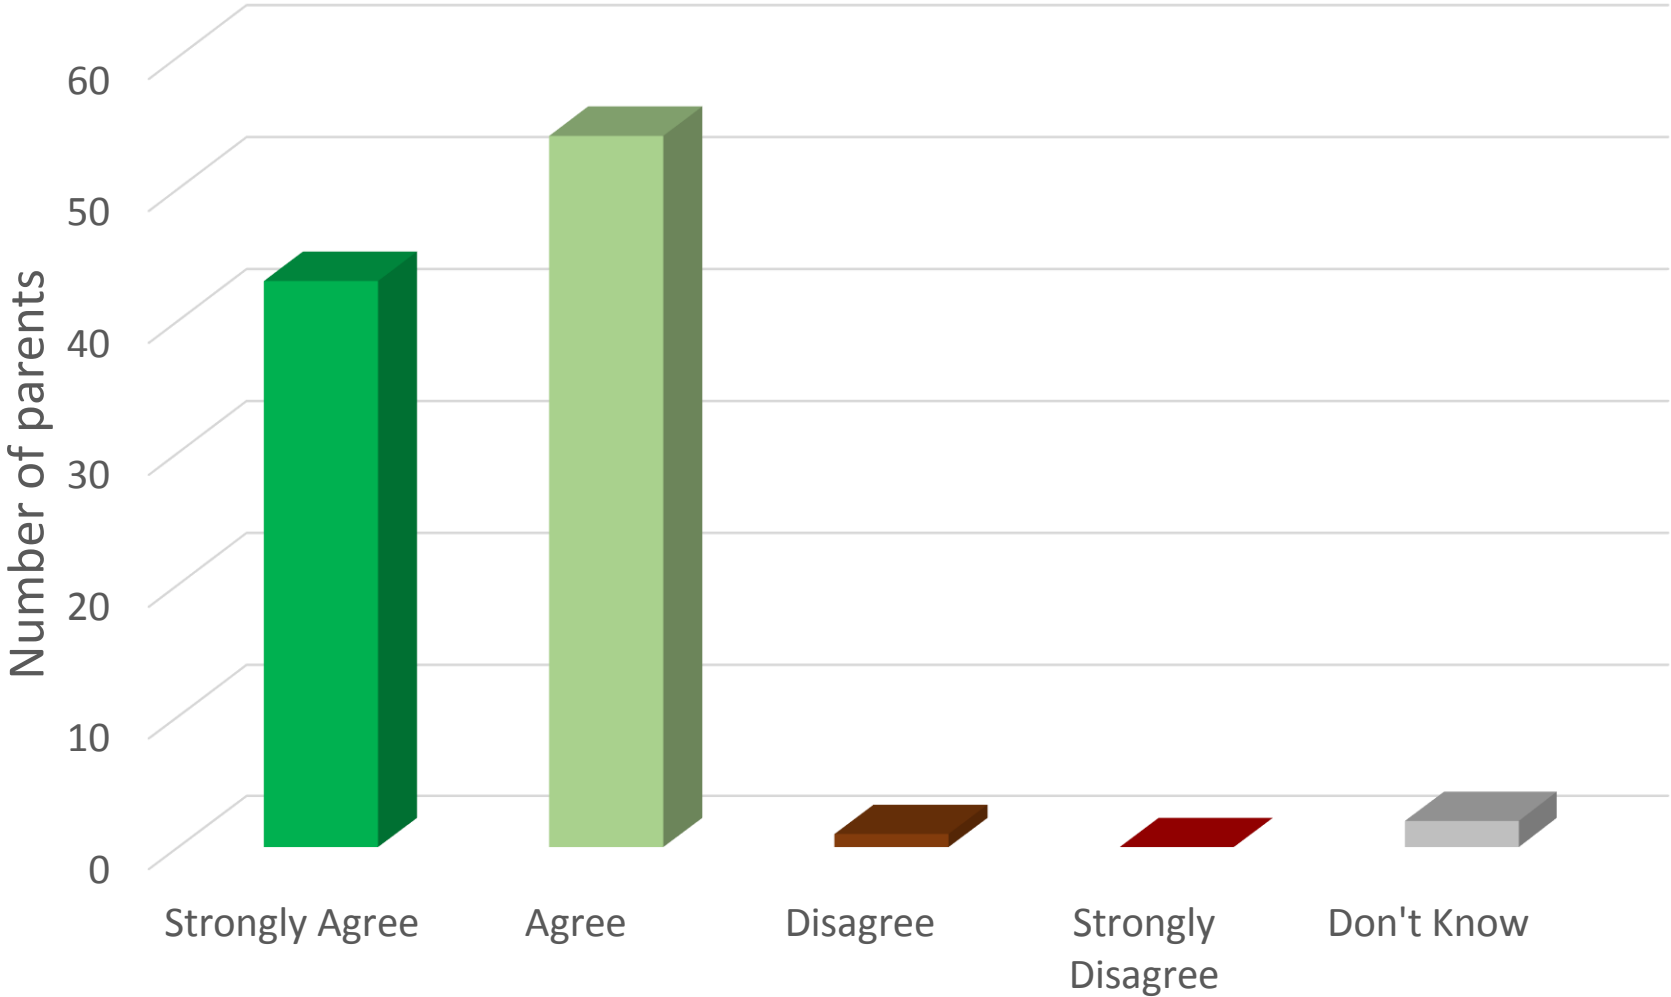

**100** families responded, which is a very high level of response for such a survey. It allows us to be confident that the results are an accurate representation of how our parents feel about their school.

Here are the results, in graph form.

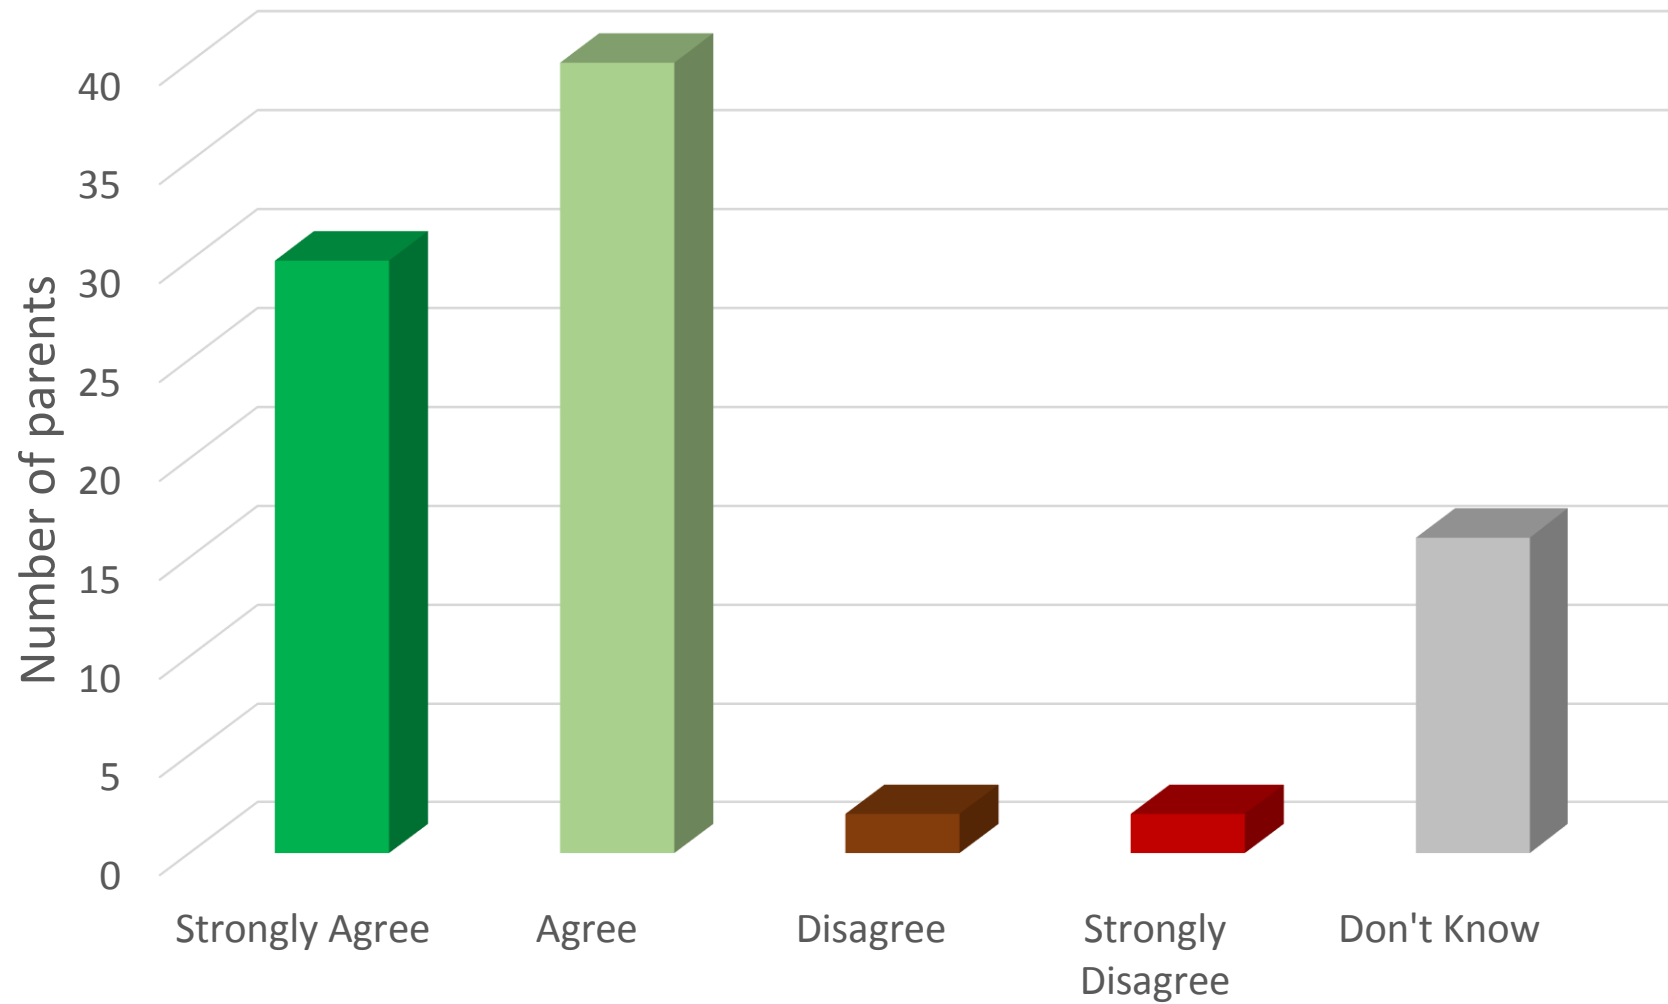

### Children are safe at this school.

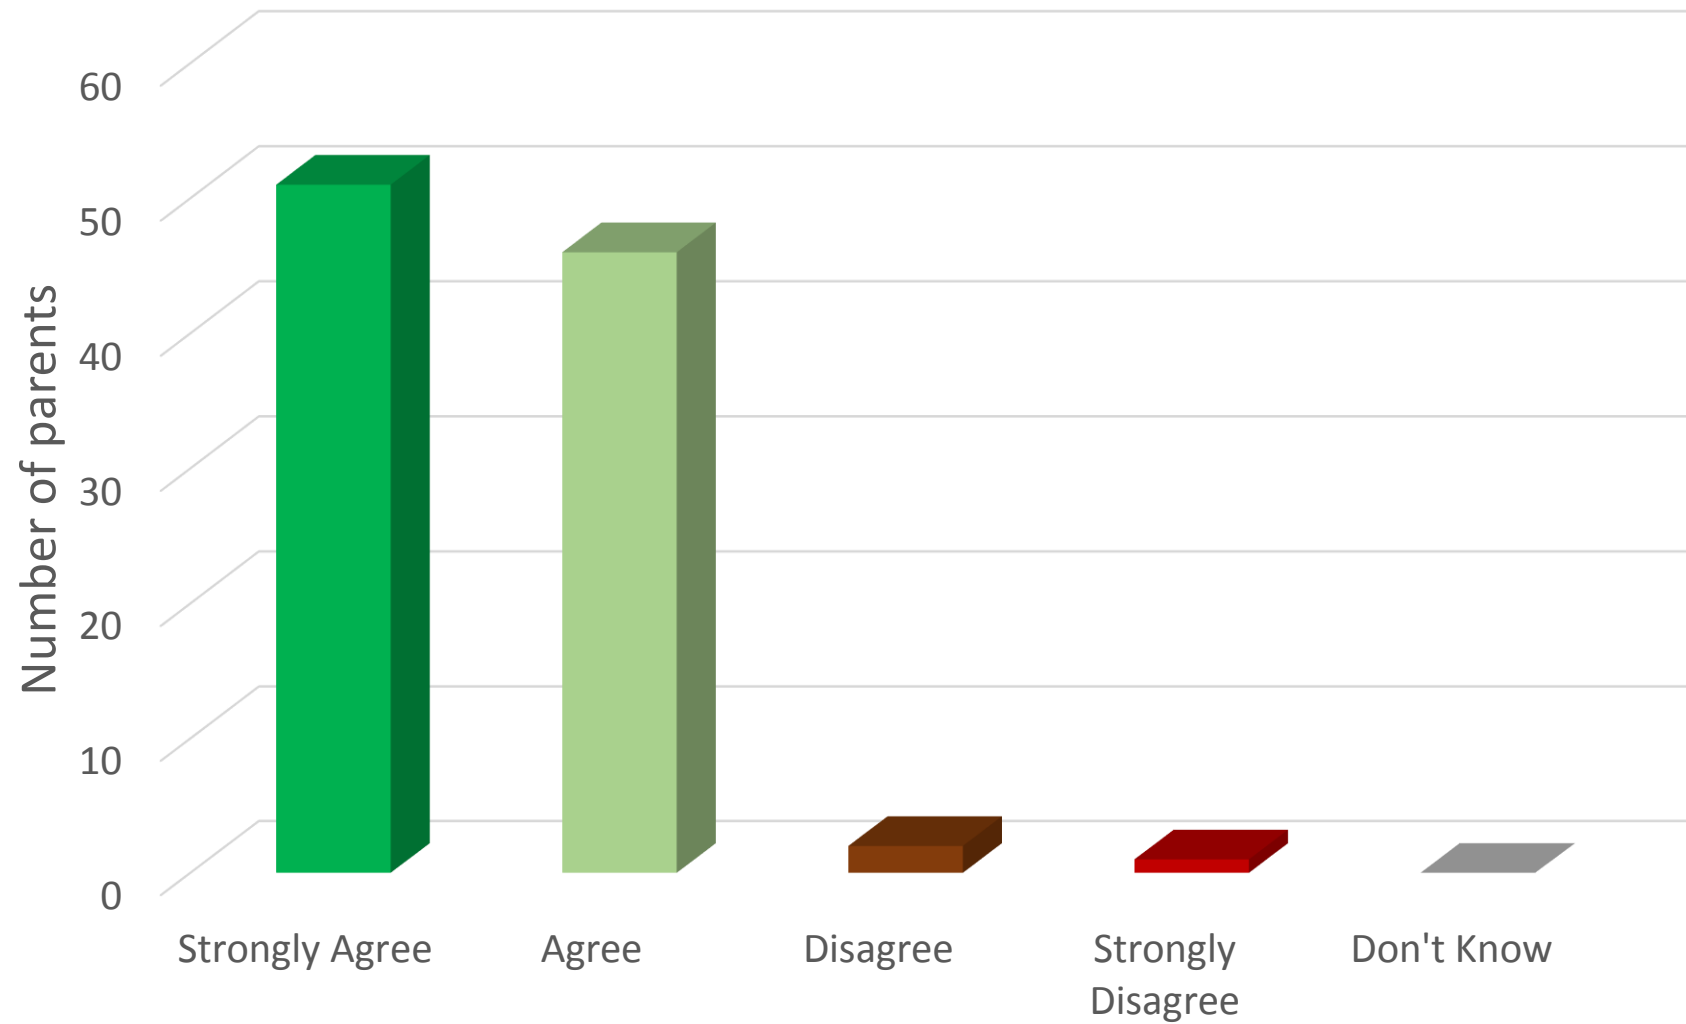

# Children learn an interesting range of things

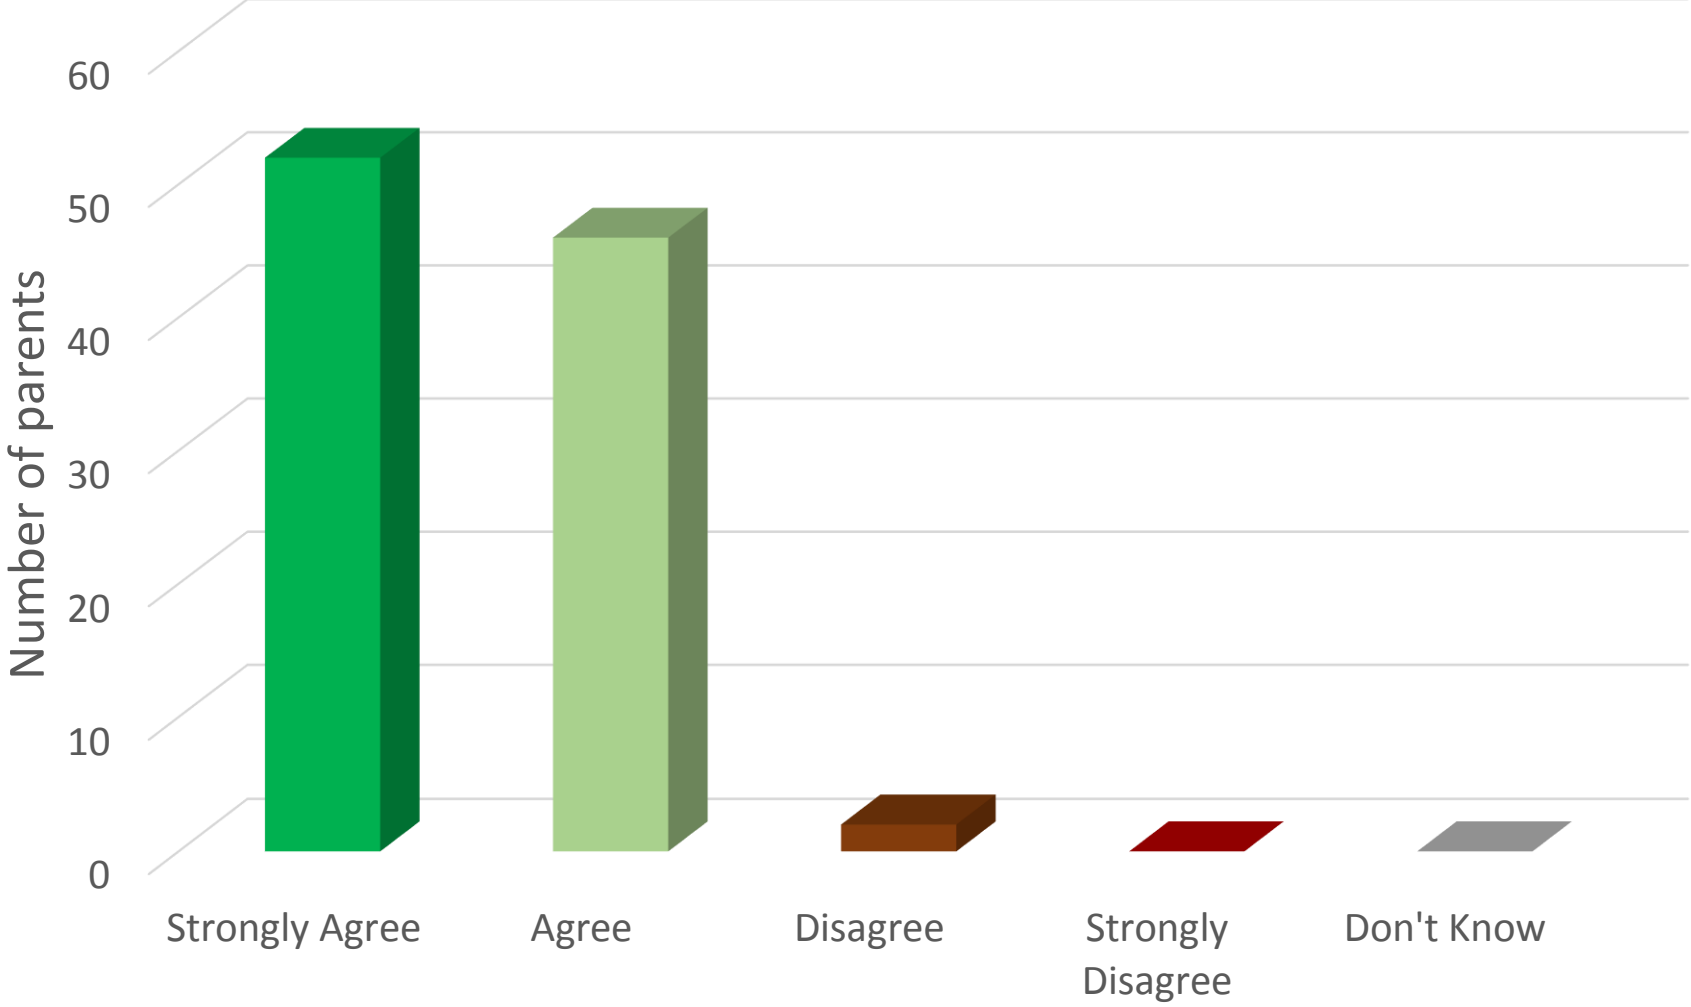

## Governors make sure school leaders are doing the right things

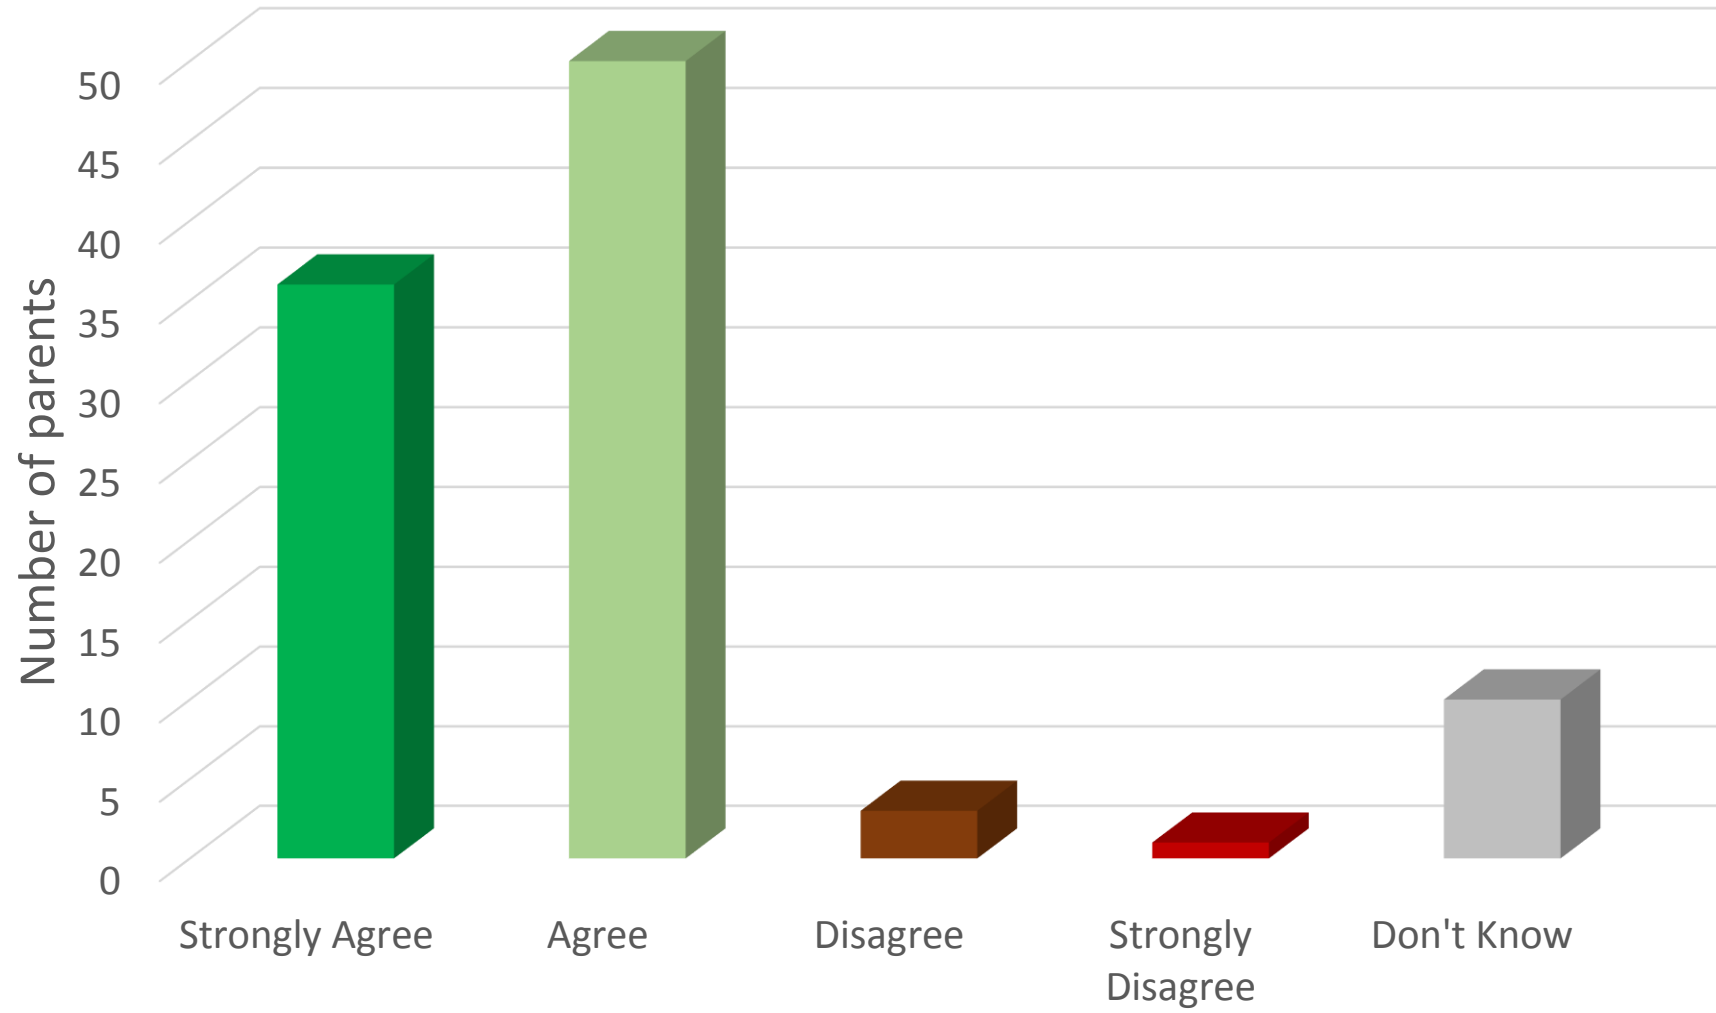

## I know the right person to go to when I have a question

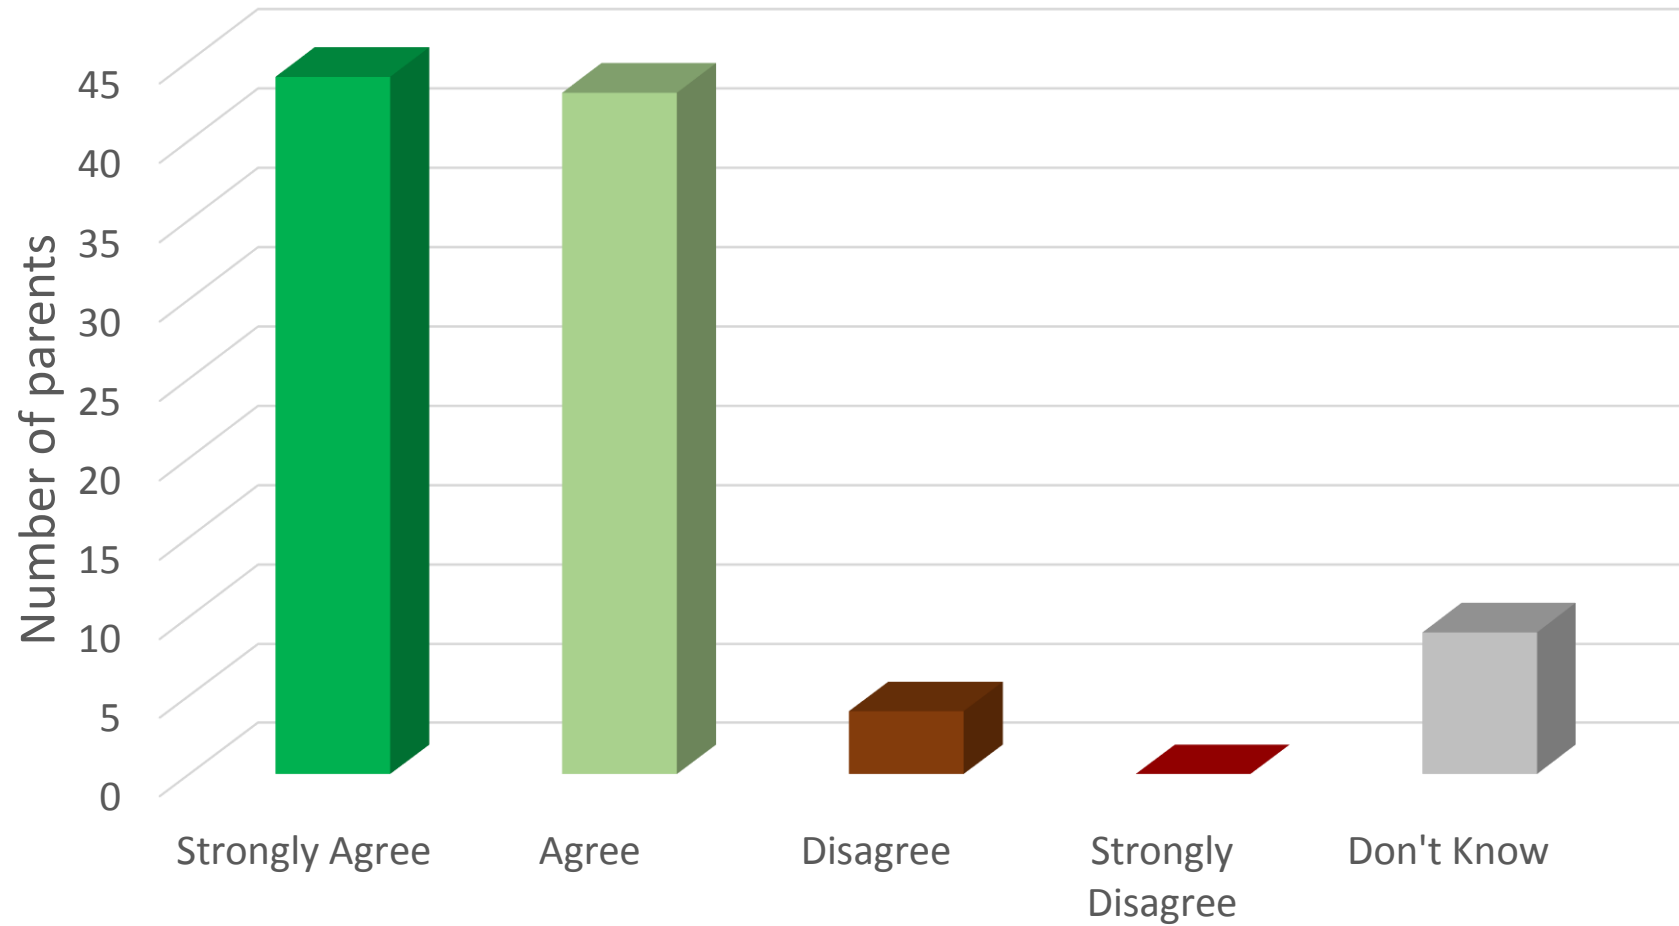

# My child understands how well they are doing in their learning

## Staff in the school continually develop their skills & knowledge
